### PURPOSE

To ensure the school community understands our school's approach to before and after school supervision for students.

### POLICY

Student safety at Wallan Secondary College is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised at 8:40am-9:00am

After school: School grounds are supervised 3:15pm-3:30pm

Students on school grounds outside these times will not be supervised (unless they are attending supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact the school on 5783 0300 for more information about our student supervision arrangements.

For a copy of our school's Yard Duty and Supervision Policy see the Wallan Secondary College website. This policy includes Wallan Secondary College's student supervision arrangements across the school day, including before and after school.

Wallan Secondary College is committed to the protection and wellbeing of all students whilst participating in school activities both during and outside school hours. Staff have responsibility for building and maintaining a child safe environment. This responsibility extends to the identification and timely response to all concerns with regard to the safety of any student at our college.
