POLICY

There are many occasions during the school year where Wallan Secondary College staff photograph, film or record students participating in school activities or events, for example: classroom activities, sports events, concerts, excursions, camps etc].

We do this for many reasons including to: e.g. celebrate student participation and achievement, showcase learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community in newsletters and on classroom blogs/apps. There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third-party requests to take, use or disclose images of students.

This policy outlines the practices that Wallan Secondary College has in place for the collection, use and disclosure of images of students to ensure compliance with the Privacy and Data Protection Act 2014 (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

CONSENT

The Photographing, Filming and Recording Students Consent Form is provided by Wallan Secondary College at enrolment. This form applies to standard uses of images for the time your child attends the college. Standard uses are defined in the following sections.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can via email wallan.sc@education.vic.gov.au. If consent is withdrawn verbally, the school will make a written record of this. However:

- if the images have already been published and are in the public domain, it may not be possible to remove them
- the school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

The media, or the Department of Education's media team, may seek to photograph, film or record students for a news story or school event. This may include broadcast media, online or social media or print media, including newspapers and magazine publications.

When Wallan Secondary College receives such requests, our college will:

- provide parents/carers with information about the organisation involved and when and for what purposes the photography, filming or recording will occur
- seek prior, express parent/carer consent in writing.

Students will only be photographed, filmed or recorded by the media at the college if express consent is provided for that specific media event. Neither the school nor the department own or control any photographs, video or recordings of students taken by the media

- used for school identification cards and student identity verification letters
- stored on CASES21 for educational and administrative purposes.

Wallan Secondary College will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the photographs.

Parents/carers who choose to opt out of having their child participate in official school photographs must contact Wallan Secondary College via email wallan.sc@education.vic.gov.au before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken. However, the college will need to discuss with these parents/carers alternative arrangements for identifying students in emergencies and for other essential purposes.
