

SPONSORSHIP OF STUDENT HOBBIES AND ACTIVITIES

Rationale

Students are given the opportunity to participate in hobbies and activities at a national and international level.

Aim

To support students in their endeavours where they would otherwise have difficulty in attending or participating due to family financial constraints.

Implementation

Students who request financial assistance from the College to support their hobbies and activities outside of school hours should write to School council with details of the activity and assistance sought. This will be presented at the next School Council meeting and a determination will be made.

Assistance can be made up to a value of \$200 to cover expenses such as uniform, travel, accommodation, entry fees.

The college can also seek the assistance of local groups eg. Rotary, Lions Club, Freemasons etc.
